A diagram illustrating file dependencies. At the top is a gray rectangular box containing the header file path 'src/libmalelf/include/malelf/print\_table.h'. Below it are two white rectangular boxes. The left box contains 'src/libmalelf/dissect.c' and the right box contains 'src/libmalelf/print\_table.c'. Two blue arrows point from the top-right corner of the left box and the top-left corner of the right box towards the bottom edge of the top gray box, indicating that both source files include the header file.
